To undertake these essential activities, it will be necessary to have some road closures. Road closures will only be utilised where it is necessary and to maintain the safety of the travelling public and the workers.

The A6070 in both directions between the A6 roundabout and the roundabout at M6 junction 35. The closures will be from 8pm on:

12 August 2024 until 6am 13 August 2024

13 August 2024 until 6am 14 August 2024

20 November 2024 until 6am 21 November 2024

21 November 2024 until 6am 22 November 2024

North Road at the bridge where it crosses over the A6070. One footway/verge will remain open for pedestrian access. The actual closure dates are currently planned to occur:

9 September 2024 to 18 October 2024 and

9 December 2024 to 31 January 2025

These are the minimum durations we need to complete the works at Higher North Road Bridge and may be subject to change if problems are encountered. Any changes to the above dates will be advised on the website and on signs near the bridge.

Signed diversion routes will be in operation.

“
This work will significantly reduce maintenance cost and ensure the road meets future transport needs”
